At the conclusion of play (9:00 PM-10:00 PM) each Friday night teams will be invited to participate in our League Socials where teams can get to know one another and share some food and drinks. All Corporate League competitions will take place at the JJVA Facility located at 8457 Western Way, Jacksonville, FL 32256.

There will be two divisions within the league (*League divisions pending the number of registered teams)

***League A (Beginner-Intermediate):** This division will be for those teams with players with beginner level experience, or for those teams looking to enjoy competing on a more social level.

***League AA (Advanced):** This division will be for those teams with players who have played volleyball before and who are looking to compete at a higher athletic level.

Match Protocols & Rules

Team Setup

Co-ed 6 vs 6

Ages 18 and Older

1 Female player must be present on the court at all times.

Teams may have one athlete (male or female) on their roster listed from outside of their organization.

League Rules

Teams playing will follow USAV Match Rules.

Teams will play two opponents each Friday Night. Matches will be best out of 3 sets with the first two sets played to 25 points, and the deciding third set played to 15 points.

This will allow for teams to get the most out of each Friday night schedule, and focus on playing only one opponent each Thursday evening.

Teams who are not scheduled to play at a specific time, will be assigned to officiating, score, and line judging.

Teams will gain +1 point towards the leaderboard for each set they win. This will allow for teams to still remain competitive while rotating their players and lineups.

The Corporate Team with the best record at the conclusion of play on Monday evening June 24th, will be crowned the Corporate League Champions and will receive the Corporate League Champion Trophy.
