# WELCOME TO JJVA

It is our honor to welcome you to the Jacksonville Junior Volleyball Association. This organization has actively promoted the sport of volleyball in the Northeast Florida region for the past 30 years through training and competition opportunities. Through the support and dedication of our coaches, players, parents, staff, and the business community, we have provided this training and competitive experience for thousands of youth and adult players. JJVA, as it is commonly known, seeks to train youth players in an Olympic-style environment that focuses on learning and the enjoyment of the sport. Our goal is always to help the youth in our community to improve their volleyball skills as well as life skills through the competitive sport experience.

The youth sports world is an ever changing and dynamic environment. The policies, procedures, and rules of the game change every year and sometimes more often. Our staff seeks to stay current on training methods as well as the rules and standards of USA, AAU and FIVB volleyball.

The JJVA staff also makes a sincere effort to maintain open lines of communication with coaches, players, and parents when changes do occur. As you become a part of JJVA, we encourage you to become familiar with the handbook and use it as a guide for the season, knowing that at times there may be changes. We also encourage you to attend meetings, participate in club events, and communicate with your coach, the division director, or our office staff if you have a question or need assistance. Our web page and email system are our main avenues of direct communication. We also have a Club Facebook page for our girls and boy's programs.

JJVA has an established record of success in training and competition due to a proven system of practice and team management. The success for teams and individual players is a result of time spent in the gym, the quality of the coaching, the methodology of practice, and many times the presence of natural talent and ability. We seek to combine these elements to provide a quality training and competitive experience for players at all levels.

Welcome to JJVA, and we hope that your experience with JJVA will be as enjoyable and enlightening for you as it has been for me for the past 30 years.

Thanks,

Adis Imamovic

Most of our coaches are part-time, so in most cases, the Division Directors will send emails to their respective divisional parents and players. Periodically new forms of communication are implemented to improve the communications between staff and members. Once new communication technology is approved, all players and parents will be notified.

All school-age athletes, elementary through high school, are eligible to participate on teams and in JJVA programs. All players designated by the director or members of certain competitive teams must be registered as a member of USAV. ### **PLAYER CONDUCT**

JJVA has a Zero Tolerance Policy for use of foul language, rude gestures or aggressive behavior toward other players, parents, coaches, officials, or opponents.

JJVA has a Zero Tolerance Policy for use of any illegal drugs, alcohol, or tobacco. Smoking and the use of any drugs, alcohol, or tobacco products is prohibited. Any player caught with drugs, tobacco products, or alcohol during any club event will be dismissed from the club.

Excellence in academic performance is required. A No Pass/No Play policy is honored by JJVA.

All players are required to participate in the physical conditioning activities and drills unless excused by a doctor or the coach.

## **PLAYER EXPECTATIONS**

Players are required to work as part of the officiating team at tournaments and will be responsible for officiating, scorekeeping and calling lines. Each athlete is required to attend the JJVA Scorekeeping and Officiating Clinic that JJVA provides. No player is permitted to leave a tournament site until all team responsibilities are completed. To do so is grounds for dismissal from the team. Special permission can be given by the coach if requested prior to the tournament beginning.

JJVA will provide players the opportunity to develop their individual and team volleyball skills. To reach their potential, players must put forth a maximum effort to perform at the best of their ability. In every drill, they are to attempt to play the ball using the correct technique and hustle, jog and/or run between stations at practice (i.e. shagging balls, returning to lines in drills, to and from water breaks, etc.).

Each player must follow the USAV Code of Conduct and is expected to adhere to all JJVA policies.

## **ATTENDANCE**

Attendance is required for all players. It is the responsibility of the player to notify the coach immediately upon having the knowledge they will miss any scheduled practices or team events. Advance notice is required so coaches can adjust practice plans or team line ups.

Before the season begins, a player anticipates missing practice or a tournament due to vacation or a family commitment, notice must be written on the JJVA Conflict Form and turned in to the coach at the beginning of the season, or an advanced two-week notice is required in writing from the parents. Practice or tournament schedules are provided early enough for players to identify conflicts and give notice to the coach. Other than an emergency, players or parents must give notification on the JJVA Conflict Form prior to tryouts if the player will not attend a given tournament.

## **ARRIVING ON TIME**

Players should arrive for practice 15 minutes prior to the scheduled practice time. Players are expected to arrive at tournaments 60 minutes prior to the first match, unless otherwise instructed by the Head Coach, and at a location designated by the Head Coach. Head Coaches have the authority to require players to arrive earlier should he/she wish to have a meeting or have players scout an opposing team.

## **COOPERATION**

Players are expected to be supportive of their teammates at all times. Poor practice or bench conduct could result in reduced playing time. Each player is expected to treat all other players, teammates, coaches, officials, and fans with courtesy and respect.

If players are involved in a dispute, they will be encouraged to work it out together with the guidance of a coach or director. If they are unable to resolve their problem in a timely manner, the coach will meet with the parents and director to resolve the issue. Problems between players should never be left unresolved.

## **CURFEW**

During any overnight travel, curfew will be 10:00 PM on all nights prior to a match unless amended by your coach (for example, afternoon pools).

## **GRIEVANCES**

If a player or parent has a grievance with a coach or the club, the following steps shall be followed:

1. The player should immediately discuss the problem or concern with the coach before or after practice and try to arrive at a solution.
2. If the player is not satisfied, the player and their parent should request an appointment for a meeting with the coach.
3. If the player and parent are still not satisfied, they shall request a meeting with the coach and the Division Director or Coordinator to resolve the problem.
4. If after steps 1-3 the issue is not resolved; the player and parent shall request a meeting with the Division Director.
5. If after step 4, a resolution is not reached, the parent can request a meeting between any or all of the following: the parents, the coach, the Division Director and the Director of JJVA.

**JJVA is committed to the concept that “positive communication” is the key to successful relationships. Coach, player and director communication is the key to building a valuable and successful experience for all members of JJVA. We encourage positive and open communication in the appropriate environment and at the appropriate time.**

## **GRIEVANCE POLICY – 24 HOUR RULE**

During tournament play, concerns from family members/guardians about playing time or technical coaching issues can only be addressed 24 hours after the conclusion of the tournament. JJVA requests that parents/guardians or other family members refrain from addressing the coach(s) in an aggressive manner or about team strategy or line-ups, approaching the bench or discussing these issues during the tournament.

Coaches are instructed and trained not to discuss technical or playing time issues with family members/guardians at tournaments. The process for such discussions is as follows:

1. The day following the tournament – 24 hours must have passed, call the coach to set a time to meet with the coach.
2. Parent, player, and coach meet to discuss issue specific to this player only.
3. Resolve issue and report result to Division Director.
4. If issue is not resolved to satisfaction of coach, parent, or player, set appointment with Division Director.

## **PARENT PARTICIPATION**

### **Fund Raising**

Participation by parents is crucial to the success of the JJVA program. The club attempts to keep costs and fees to a minimum by making use of volunteer help and fundraising activities whenever possible and practical. To contribute and assist in JJVA's goal to be able to provide world class volleyball instruction to all children regardless of their financial situation, JJVA has set a per team fundraising goal for the 2020-2021 season of \$1000 per team. These funds will directly support the JJVA financial assistance program and offer a great opportunity for team building and growing our culture of philanthropy.

For JJVA to remain a successful program, it takes a TEAM. A team of dedicated coaches, a team of hardworking athletes, a team of supportive staff working behind the scenes, and finally, but most importantly, a team of committed parents. Each team is responsible for raising the amount set for their team. We will offer different fundraisers throughout the season, for your player to contribute towards their team's goal. If you would not like to participate in the fundraising opportunities, you can opt to "buy out" by paying \$100. Fundraising credits and payments will be combined to equal the required total amount per team. My player and I understand that fundraising is a requirement per team.

### **Volunteer Hours**

As a non-profit organization, volunteers are the lifeblood of our association. When accepting a position on a JJVA club team, each family is required to perform (2) hours of volunteer time. We understand that many people have demanding work schedules or other commitments making volunteer time impossible. You may also elect to donate \$50 in lieu of volunteering. Our volunteers help ensure our tournaments run as smoothly as possible.

*\*As a no-profit, JJVA is able to sign off on any volunteer hours for players in need of service hours.*

### **Tournaments**

Because of the long tournament day, it is recommended that each player/team bring the nutritional food and drink necessary to stay hydrated and physically stable. Parents and team chaperones should organize a plan to provide nutritious energy efficient food and water for players before and after matches during a tournament day. Often there is neither time nor transportation to run out to eat between matches. ALL teams must have a Team Parent. These Parents are also on an email notification list to help disseminate information to the other team member's parents/guardians throughout the season.

## **Team Parents**

To maintain effective communication, assist with team/club needs, volunteer parents from each team are asked to take on a few simple tasks for his/her daughter's team. This person should be an effective communicator, good with email and texting, and able to attend all tournaments and team functions. This person is essential to the communication between parents, coaches, and club staff. Team parent assist with such items as meal planning, special activities, team communications, coach communications. JJVA could not have reached the prominence as a nationally recognized club or offered the programs and coaching expertise for area players without the support and assistance of the JJVA Team Parents.

## **College Volleyball Aspirations**

It is expected that a number of players on our national and top regional teams hope to continue their volleyball careers in college. The club experience is becoming a MUST in order to compete at the intercollegiate level, especially for those for those hoping to obtain athletic scholarships. Also, with the NCAA recruiting calendar, it has become increasingly important for high school sophomores and juniors to be active and organized in their recruiting process. Our program will assist any players wanting to market themselves to college coaches.

The JJVA recruiting package is included in the national team fee. Each season a recruiting seminar will be made available to the parents and players of the regional, local and boys divisions who are interested in obtaining information about the college recruiting process. The dates and times for these seminars will be posted on the web page and included in our email communications. The full recruiting package is also available for to any regional, local or boy's player by contacting the JJVA recruiting Coordinator. This package includes athlete evaluation, résumé writing, communication information and advice on how to market the athlete to a given college.

This is done in a private meeting with the parents and the athlete. These tools are provided by JJVA to assist with the recruiting process, but success in this area is heavily reliant on the actions of the athlete. Please be aware of the concept that the college is recruiting the athlete – not the parent or the JJVA staff member. The athlete must take an active role in this process to be successful.

Sports Recruits is an optional recruiting program that is utilized by our recruiting coordinators to assist athletes with college recruiting options for athletes. Sports Recruits is an additional \$150 annual fee and is a separate fee from the contract fee and must be paid for at the time I accept my player's position or as soon as possible afterwards to receive recruiting services for my athlete.

JJVA does not promise any scholarship offers to college. CJ Sherman is the JJVA Recruiting Coordinator and she can be reached at [bringitusacj@gmail.com](mailto:bringitusacj@gmail.com).

## **UNIFORMS AND EQUIPMENT**

Competition apparel will be given to each player at a fee. The cost of the uniform is separate from the club fee, and the uniform must be worn whenever representing the JJVA at a sanctioned tournament. Players are responsible for providing their own shoes, socks, club backpack, and kneepads.

Only JJVA apparel is to be worn during competition (including when officiating at tournaments). The Club Director must approve the purchase and wearing of all practice and game uniforms.

The Director must approve the use of the JJVA Logo or the club name. Parents/players/coaches are not permitted to use the JJVA logo, copy the JJVA logo, or have team T--shirts or other outerwear made for a team without prior permission from the Director.

JJVA supplies practice and playing facilities, volleyballs, ball bags, net systems, equipment, first aid kits, etc. Care should be taken when using and supervising this equipment.

## **SECTION III: JJVA TEAM SEASON INFORMATION**

### **TEAM PRACTICES**

Players are required to wear appropriate JJVA practice gear- - volleyball shoes, socks, kneepads, spandex or shorts, and the JJVA designated practice t-shirt.

Players are expected to arrive at practice early enough to help with court preparations, stretch, and warm-up under the supervision of their respective coach. Note: JJVA reserves the right to change practice times, duration, and days after giving parents/players sufficient notice.

Cell phones must be turned off and placed in backpack s during practice. If a player uses a cell phone during practice, a coach will take the cell phone away and return when practice is over.

Only players current in their dues will be allowed to take part in practices or tournaments.

JJVA reserves the right to suspend and/or terminate a player's membership for non-adherence to USAV or JJVA policies, non-adherence to practice facility rules, or non-adherence to the terms and conditions of the JJVA Parent/Player Agreement.

Parents/family/friends are allowed inside the gymnasium area during practice hours and are encouraged to sit in the concession area. Those parents or guardians sitting in bleachers by the court must not address the coach, players or trainers and must not touch or return any balls to the court.

### **SKILL SESSIONS**

During the season, JJVA national team practices include regular practices, conditioning sessions, and skill sessions. The fee for skill sessions is included in national team fee.

Regional, Local, and Boys' team players will also have the opportunity for extra optional skill sessions during the season. This Skills Session schedule will be posted following the tryouts along with the fee schedule and other information.

## **STRENGTH & CONDITIONING**

To increase the opportunity for JJVA teams to excel in higher level competition, and to reduce the risk of injury, fitness training and/or movement education is required and provided for all players in the Regional and National Divisions. Certified trainers are hired and meet frequently with the National Director to assess the performances of athletes and teams. Program routines are structured to enhance athletic performance, reduce the risk of injury and create a foundation for a healthy lifestyle off the court. Athlete assessments include vertical jump, joint stability, flexibility, nutrition, and speed and agility. The “training” fee is included in the club fee for each player in the National Division. Personal training, group fitness, and nutrition counseling are also offered to members and parents on an individual or group fee basis.

## **TOURNAMENTS, TEAMS & COACHES**

The objective of tournaments is to give teams an opportunity to compete. The coaching staff is responsible for the composition of the team. Players will be played at the discretion of the coach. Therefore, Local, Regional, National, and Boys’ playing opportunity will be based on:

1. Skill/talent evaluation by the Head Coach and coaching staff
2. Player position(s)
3. Team needs
4. Attendance at practices and tournaments

All coaches for JJVA attend Impact Coaching training classes and are background checked through the USAV. JJVA has one of the best coaching staffs in the country and is proud to offer training and experience for volleyball coaches at every level.

Parents are encouraged to register with the USAV as a chaperone if they will be driving to tournaments or acting as a chaperone for the team. SafeSport online training is also required. You can register by going online at [www.floridavolleyball.org](http://www.floridavolleyball.org) and becoming a member. All National teams attending USAV Nationals must have a registered chaperone.

## **TEAM TRAVEL**

Each player/parent is responsible for their own travel expenses (hotel, food, and transportation to and from tournaments). The club pays all tournament entry fees and coaches travel costs. JJVA has engaged a travel company to organize and communicate travel arrangements for the club. For travel requirements at tournaments with a “Stay and Play Policy,” please see the next section as it is extremely important. Tournaments that require plane flights may also require group team transportation. These arrangements will be made by the travel company as needed. Parents should go to <http://www.jjva.com> to locate the travel website link. **Coaches are not permitted to transport players to practices or tournaments in their private automobiles, or individually by themselves at any time. Please do not ask them to do this.**

## **STAY & PLAY POLICY**

Many of the tournaments we attend have implemented a “Stay and Play Policy.” This policy **requires teams attending the tournament stay in approved selected hotels. If the teams do not stay at the tournament selected hotels, the team will be dropped from the tournament by the tournament management.** JJVA will work with the tournament host to secure the best possible hotel(s) based on availability, price, and proximity to the playing venue and will communicate this information to our parents. **All parents will be required to make their reservations at the selected “Stay and Play” hotel(s) in order to participate in the tournament.** Period audits may result in the travel company contacting you regarding your reservation at these events. The JJVA Travel Company Coordinators will provide the information for making these reservations and it will be posted well in advance on the travel website. This information will be provided to the teams as far in advance of the tournament date as possible. Rooms must be booked within the “Stay and Play” deadlines to ensure room availability.

## **NON-STAY & PLAY TOURNAMENT POLICY**

For tournaments that do not have a “Stay and Play Policy,” for your convenience, the JJVA travel company will reserve blocks of rooms for each of our travel tournaments. It is the parent’s responsibility to contact a hotel and reserve rooms with credit card by date listed. While we prefer for our teams to stay in the same hotels it is not mandatory that athletes use the suggested hotels. In a non “Stay & Play” tournament, parents may book housing of their choosing.

## **OUT OF STATE TRAVEL**

Plane tickets for players and hotel fees are not included in the JJVA Club Fees. Estimates for the cost of the rooms and the tickets will be provided by JJVA, but reservations and actual travel costs will be the responsibility of each player and their parent/guardian. Attendance at scheduled out of state tournaments is mandatory. Do not sign up to play with a team scheduled to travel if you cannot make the trip. The JJVA travel company will provide the information about the room block, directions and travel needs if any.

# **SECTION IV: JJVA CLUB SEASON FINANCIAL INFORMATION AND POLICIES**

## **PAYMENT POLICY**

All payments for non-travel season services which include lessons, skill sessions, camps, and TAP are due upon registration by check, credit card, or cash. Payment for travel season club programs which includes the National, Regional, Boys’, and Local teams must be made by monthly credit card authorization, or full prepayment.

## **CLUB TEAM PAYMENT OPTIONS**

Payments for travel season team club fees may be made only by one of the following three methods:

1. Debit Card Account Charge Per Month (as scheduled)
2. Credit Card Account Charge Per Month (as scheduled)
3. Paid in full at the time of Registration (Early Payment Discount Available)

**A non-refundable Tryout Fee is required at time of registration.**

## **JJVA CLUB FEE COMMITMENT**

Important Information: The Total Club Fee for each division is a financial commitment for the Total Amount. The payment schedule offered is the method JJVA uses to break the Total Club Fee into monthly payments to assist in the affordability of the program.

*\*The monthly financial obligation does not constitute a fee for monthly services. Club fees are a flat fee and are broken up into payments only in an effort to make it more affordable and convenient for our members.*

## **PAYMENT DEFAULT POLICY**

JJVA, Inc. is a Not-for-Profit 501(c)3 corporation. Unpaid dues by members can represent funds not available to meet the club expenses. Any player account delinquent in club fees will have their parent/guardian notified by the club, and the player may be suspended from participating in any club/team or JJVA activity and any club transfer request will be denied. A \$25.00 late fee will be added for any payment over 30 days late, and JJVA reserves the right to inform USAV that a player is not in good financial standing with JJVA. Should a player remain in default, JJVA reserves the right to place the player account in “bad standing” which may also affect their status with other affiliated associations.

## **FINANCIAL ASSISTANCE PROGRAM**

Jacksonville Juniors Volleyball Association (JJVA) is dedicated to serving all youth who wish to play competitive volleyball. JJVA currently provides a player financial assistance fund for local, regional, national, and boys’ team programs. Each season, JJVA has limited funds available for families in need of financial assistance. All Financial Aid is awarded by the JJVA Financial Aid Committee and those seeking assistance must complete the financial aid application and file with the JJVA office by the designated deadline. All members seeking financial assistance must participate in the JJVA Business Sponsorship program.

## **FINANCIAL AID COMMITTEE**

A JJVA Financial Aid Committee (FAC) shall administer funds to support members who qualify for financial aid. The applications and decisions are held confidential between the applicant and the FAC.

## **FINANCIAL AID CRITERIA**

Financial Aid will be awarded based on qualification criteria set by the FAC. Qualification criteria will be based on items such as gross monthly income, family size, number of dependents in family, number of children who wish

to play for JJVA, and extenuating circumstances such as job loss, illness, or death in the family. All awards are based on this information and the funds available.

Financial Aid will never cover 100% of your registration fees. Due to eligibility rules players must make a financial contribution to their own club fee. JJVA offers a Sponsorship Program to assist all who seek financial assistance.

## **ELIGIBILITY FOR FINANCIAL AID**

To be eligible for financial aid, all applicants and their parents/guardians must complete the JJVA Financial Aid Application by the designated deadline date as noted in the FA application.

## **FINANCIAL AID AWARDS**

All financial assistance awards will be applied toward the player's JJVA club program costs. Parents/Players receiving financial aid will be notified by email the amount of the award which will be applied to their financial balance. The remaining balance of program costs will be built into the monthly fees due per JJVA automated deduction.

## **FINANCIAL AID APPLICATION PROCESS**

Application forms will be available online and at the front desk at JJVA. Applications along with all supporting documentation (please see financial aid application for list of documents required), should be submitted in a sealed envelope to the JJVA front desk before tryouts begin. The application will be forwarded to the Financial Aid Committee and all applications must be accompanied by the fees due for registration. In the event, no financial assistance is awarded the fee schedule set forth for the player's respective team assignment will be upheld.

In the event an application is received after the deadline date or a player registers at a later stage of the season, the application will still be reviewed. However, the application will be subject to the availability of funds.

## **PLAYER RELEASE POLICY – REFUND POLICY**

In the event of a season ending catastrophic event established by the governing bodies of the sport before the season starts, JJVA will refund all fees paid for tuition less any expenses that may have been incurred to prepare the team for the season. Season extension or postponement of events does not constitute a season cancellation and **WILL NOT** result in a refund. If the season is cancelled after it has started, JJVA will calculate an appropriate refund amount for services not rendered less any expenses incurred by the club. This refund will be issued in form of a credit issued to your JJVA account. This credit may be used on any JJVA volleyball services offered.

Accepting a position on a club team obligates each player to agree to pay in full the registration and club team fees which are **nonrefundable**, regardless of whether the player decides to leave JJVA prior to the end of the seasonal year. In the event a player wishes to be released from the program or stops playing, JJVA reserves the right not to release the player until all funds due are paid. A player who stops playing during the season is not released from their financial obligation to JJVA. In the event a player wishes to be released from the JJVA team program, the parent/guardian submit a letter or email stating the reason for withdrawal to the Volleyball Director

of JJVA and the Financial Business Manager as well as to the registrar at [registrar@floridavolleyball.org](mailto:registrar@floridavolleyball.org) for USAV members. For the local Division, a letter or email must be submitted to the Volleyball Director of JJVA and the Financial Business Manager only. This information will then be reviewed by the appropriate staff for a decision.

JJVA Club tuition is Nonrefundable unless specified above. JJVA has partnered with US Sports Insurance to offer you tuition coverage in case your player cannot participate in club activities during the season.
